Item 1. Business

1. Please revise at the onset of your discussion to clearly and succinctly state what comprises AmericaTowne's business. Refer to Item 101 of Regulation S-K. 3. Please tell us and disclose how you recognized the \$194,304 of revenues generated primarily from the Export Service agreement. Also, tell us and disclose the nature of the related cost of revenues (\$52,113) since the service fee revenues provided through Yilaime Corporation are recognized on a net basis. Further, please expand upon the discussion of the nature of these sales to related parties and whether under the Service Provider Agreement with Yilaime.

Cash Provided by Operating Activities, page 49

4. Please refer to the first sentence of the second paragraph. Expand to discuss in detail your plans for the next twelve months since you have insufficient cash to operate your business at the current level.

5. Please delete the example of an apparel company since you are not an apparel company.
6. Please delete the links to You Tube and the SEC archives as support for disclosures of your multiple-deliverable revenue arrangements.
